

Monday 18<sup>th</sup> September 2023

Dear Parents/Carers,

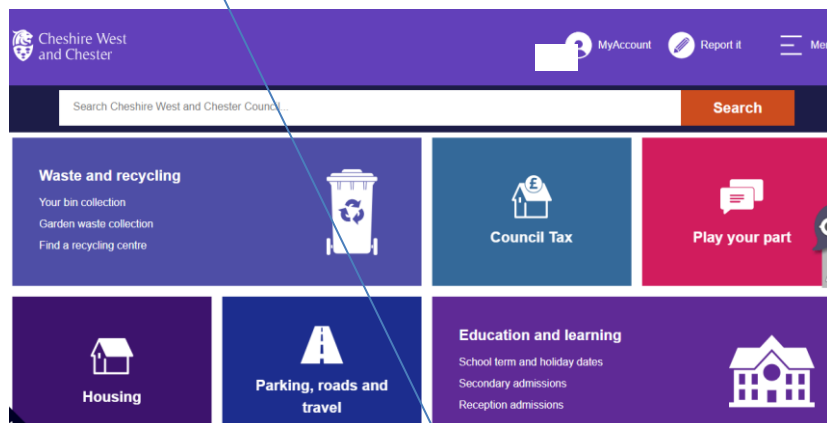

I know many of you have already done so; however, if you have not completed an application online for a Reception place in September 2024, please go online at:

[www.cheshirewestandchester.gov.uk](http://www.cheshirewestandchester.gov.uk)

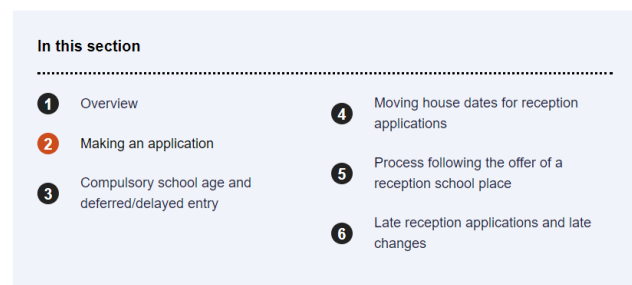

Click on: Education & Learning → Reception admissions → 2. Making an application → Apply. You will be asked to create an account. Ensure you keep your password safe, as you will need it to log in later in the year to see if you have been allocated your chosen school.

If you have any difficulties with your application, please email our SFLO, Mrs Savory, at: [s.savory@theacornsprimary.co.uk](mailto:s.savory@theacornsprimary.co.uk) Mrs Savory will then make an appointment to support you with your application.

It is important to be aware that attending our Nursery setting **does not guarantee your child a place in Reception with us**. Online applications **must** be completed and before the deadline.

Reception admissions

Warm regards,

Mrs Leslie (EYFS Leader)
