COVID – PLEASE READ

Huge thanks to all our families for your support over the past week, as we have seen an increase in Covid-19 cases. We appreciate you all following the guidance provided and are hopeful that the half term holiday will act a circuit-breaker, allowing us to resume normal service on Monday 1st November.

It is VITAL that we continue to track and monitor all positive covid cases over the holidays, so that we know what protocols need to be in place for the first day back after half term, so please email any positive results in pupils to me:

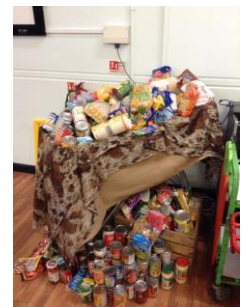

head@acornswhitleyfed.cheshire.sch.uk

Please do not email other school contacts, as they won't be accessing emails regularly over the holiday.

Please also adhere to the latest guidance we sent out yesterday from Public Health which requests that if there is Covid-19 within a home, children undertake an LFT every morning and only attend school if it is negative.

HARVEST FOOD BANK DONATIONS

WHAT AN AMAZING collection this year. Thank you so much for your generous contributions, which were collected by West Cheshire Food Bank on Wednesday.

FLU SPRAY VACCINATION

All parents will have received a text message yesterday regarding this year's annual flu vaccination for Primary pupils, which is a national vaccination programme. All of our immune systems have suffered as a result of being in lockdown and therefore it is deemed to be more important than ever that we protect our children against flu this year. PLEASE, PLEASE click on the link to complete your consent forms for each of your children. It only takes 1 minute and requires very little information. These must be done by Tuesday 2nd November. Thank you.
