Welcome to your first Newsletter from pupils of
The Acorns Primary & Nursery School

Written by your team of Head and Deputy Girls and Boys:
Holly Jenkins, Lukas Georgeson, Olivia Taylor and Callum Quinn

Min-Y-Don

On the 18th November, Year 6 are heading off to Min-Y-Don for an amazing 5 days of fun and adventure. Don't forget to pay for the trip! We promise that Year 6 will have a great time. Make sure that you look out for updates on our Twitter feed so you can come along too.

Active Cheshire

Active Cheshire is an organisation who have worked with us this year and last. They have worked with us by giving us workshops on healthy living and they have introduced us to the Daily Mile. By following us on Twitter, Active Cheshire nominated us for keeping our school fit and active. Mr Painter, Mrs Foulkes, Miss Marsden and Mrs Wright went to an event at Chester Racecourse. Unfortunately, we did not win the award; however, Mr Painter says, "It was a great experience". The staff who attended the event were dressed in fancy suits and dresses. Ooh lala!

Plastic Pollution

On the playground and around our school on the pavements, we have noticed some litter on the ground. We learn about litter and the problems this causes a lot in school, which means that we all know that we should be recycling and putting litter in the bin.

Attendance

Since 2015, our attendance has been increasing by 1% each year. As you all know, our attendance is 95%. This year we are hoping to continue increasing by 1% each year so we can reach our goal of 96%.
