Dear parent / person with parental responsibility

### **School Entry Screening**

As part of the school health screening programme, the Starting Well 0-19 service will visit school to screen your child's distance vision and hearing.

You will be informed of the results once the school entry screening has been completed, and if necessary your child will be referred for further assessment.

Should you wish to discuss any health issues or concerns, please contact our team on **01244 397470** or email [cwp.0-19immsandscreening@nhs.net](mailto:cwp.0-19immsandscreening@nhs.net)

When visiting your child's school, our team will be wearing PPE in line with local guidance.

**Please contact us on the above telephone number within the next two weeks if you do not wish for your child to be included in the vision and hearing screening programme. If we do not hear from you, we will see your child in school.**

Yours sincerely,

0-19 Starting Well Service
