PARENTS' EVENING INFORMATION

Dear Parents/Carers,

Due to Covid-19 restrictions and in the interests of the safety of our entire school community, our October parents' evenings will be done over the phone this year, rather than face-to-face.

Your child's class teacher will call you during the week beginning Monday 12th October to have a discussion around how your child has settled into the new school year. This will also give you the opportunity to ask any questions you may have at this point in the year.

Phone calls will last no longer than 10 minutes; the same length of time allocated for face-to-face appointments in previous years. The calls may come from withheld numbers, so please bear this in mind during the week. For obvious reasons it will not be possible to arrange for one phone call with multiple staff to discuss multiple children, therefore you may receive more than 1 phone call if you have more than 1 child with us. If the teacher calls at an inconvenient time, please answer, if you are able, and arrange for a different time. Any outstanding calls will be made the following week, before the children finish for half term.

We are hopeful that when restrictions ease in the future, we will be able to invite parents into school to look at the pupil's workbooks and celebrate their progress, which would normally be part of our face-to-face appointments.

If you foresee any issues with this arrangement, please contact me at school via email or phone.

Kind regards,

Mrs H. Broom

Executive Headteacher
