DON'T FORGET TO ORDER YOUR CHILD'S LUNCHES FROM HOME!

Despite some initial hiccups, all families have now received the information they need to be able to log on to the app and order their children's lunches from home. We would request that everyone does this please, as it not only saves time in the morning, which can then be spent on learning activities, but it also increases the chances of your child having a meal they like and therefore eating it all! Win Win!

Please support us in this endeavour. If you have any issues, please speak to the school office.

EASY FUNDRAISING

Last week we shared the link for parents to sign up to EasyFundraising in order to support school by raising money when you shop online – at no cost to you at all!

As an incentive to sign up as many people as possible, EasyFundraising have agreed that for every new person who signs up in the next 2 weeks, they will donate £1!

Please, please do support us in this manner. Follow the link below:

BEFORE AND AFTER SCHOOL CLUB

Unfortunately, we are having to spend a considerable amount of time chasing parents to pay for their before and after-school club usage. We have worked very hard to keep the costs of our club to a manageable amount so that it is accessible for all parents who need it. This involves heavily subsidising it with school funds.

In return, we request that parents are respectful of this and pay for the club in advance of booking and using our services. The amount of time Admin take to call and text parents to remind them about payments, and the cost of these calls and payments, is not sustainable.

Unfortunately, if this continues, in some cases we will have no option other than prevent access to the club for some families on a permanent basis. This is not a position I want to be in but may become a necessity.

If you use club occasionally, or regularly, please consider this message and act accordingly.

Thank you, Mrs Broom
