INCREASE IN PRICE OF LUNCHES

Unfortunately, our catering company have been forced to increase their meal prices, for the second year in a row, due to the rising cost of food. Last year, we worked hard to ensure we covered this rise and did not pass it on to parents. Unfortunately, we are unable to cover the new rise as well and therefore the price of a school dinner, for those who have to pay, will increase to £2.70 as of September 2024.

It is always worth checking if you may be entitled to Free School Meals and this can be done easily and quickly using this QR code.

If it comes back that you are eligible, please let school know as soon as possible as school lunches won't be the only thing that your child will then be entitled to!

So far, to date, our school community have raised a whopping £681 via easyfundraising!

If you have not yet signed up, please google it or type below into your search bar and start raising money for the school for minimal effort and NO cost!

Every time you purchase online, multiple companies will donate a % to the school, at no additional cost to you. This includes all the popular supermarkets as well as holiday and flight companies and many of the websites that families will frequent.

Thank you to those who are already contributing and to everyone else, please join us!
