ARE YOU WORRIED ABOUT THE MENTAL HEALTH OR WELL BEING OF YOUR CHILD?

Every week, parents speak to us at school, concerned for their child's mental health, requesting support with behaviour at home or sharing how poor sleep routines are.

This summer, The Mental Health Support Team (MHST) are offering Parent Workshops in our area, including support for challenging behaviour, sleep issues, anxiety and low mood.

We would strongly recommend that you consider working with these experts and making the most of these opportunities, which could massively improve life at home for you and your child.

If these sound like opportunities you would value, get in touch and book in.
