Break up for summer!

WELL DONE YEAR 6!

We would like to say a HUGE WELL DONE to our Year 6 pupils for their efforts this week. Each and every one of them has put their full effort into being the best they can be, no matter what the expectations of them were in school this week during SATs.

They enjoyed a wonderful start to their days with a full cooked breakfast, kindly cooked by Mrs Savory (THANK YOU, MRS SAVORY!) and then went on to complete their tests or other activities with a range of adults in school.

We are sure that their hard work and dedication will pay off and they will have demonstrated their full potential during this process.

This they are letting off some steam and enjoying Bubble Footie and lots of treats this morning, before mixing with their houses to lead their teams through My Happy Mind activities this afternoon. Hopefully, all in this lovely sunshine!

NURSERY SUMMER CLOSING

Please note, in order for home visits for new starters to take place, Nursery will finish for summer slightly early:

Caterpillars will be finishing on Wednesday 16th July

Butterflies will be finishing on Thursday 17th July

ASK ME ABOUT...

Education is most effective when schools and parents work in partnership and parents are aware of what their children are learning about and doing in school. So, this week, please ask me:

Caterpillars: dinosaurs.

Butterflies: what helped grow the seed.

Reception: people who help us.

1M: different artistic lines.

1/2T: the words "vertical, horizontal and diagonal"

2U: making different marks.

3S: how we use a glossary.

3/4T: sewing

4I: how we can help save the rainforest.

5McC: important ingredients for happiness.

5/6S: The London Eye Mystery.

6T: using watercolours in art.
