SPORTS DAY

This afternoon is our annual Sports Day, starting as close to 1pm as we can. As a Platinum School for Sports, we are dedicated to ensuring our sports events are fully inclusive and that pupils are active for as much of it as possible. We appreciate your support at this event and hope you enjoy seeing your children working collaboratively for the good of their House Team, alongside siblings and pupils of all ages. It is one of our favourite events of the year! Children will need to return to class to change afterwards and will then be dismissed safely from classes, in our usual fashion.

CLASSES & STAFFING 2025 - 2026

Over the next couple of weeks, prior to our transition day on Thursday 3rd July, parents will receive a letter via Spider informing them which class their children will be in next year and who the teacher will be. Please share this information with your child(ren) that evening and prior to transition day. This will also come with a short Spider survey giving you the opportunity for your child to share anything they really want their teacher to know about them (in addition to the thorough transition meetings that are held in school). Any questions, please speak to Mr Painter, Mrs Bentley or Mrs Leslie.

SCHOOL LUNCH ORDERS

We are seeing an increase in the number of children who have not got a lunch ordered on School Hub and are then disappointed at lunch time when the lunch they would like is not available.

Please utilise the School Hub app to book meals in advance with your children. This can be done in blocks of 3 weeks to make it quicker and more efficient for our families.

If your child has not booked a lunch and is expecting to have one, the office will send you a message in the morning to remind you to book. However, this has to be done by 9:30am, as this is when the system closes for the day and the kitchen have begun to cook the correct amount of food.

ASK ME ABOUT...

Education is most effective when schools and parents work in partnership and parents are aware of what their children are learning about and doing in school. So, this week, please ask me:

Caterpillars: what colour eyes/hair I have

Butterflies: what comes out of a pupa?

Reception: the bridge that appeared in our classroom

1M: my trip to Liverpool

1/2T: our trip to Liverpool

2U: my trip to Liverpool

3S: musical motifs

3/4T: BC and AD

4I: the 5th symphony of Beethoven

5McC: life in Ancient Athens.

5/6S: democracy

6T: my cricket sessions with Chance to Shine cricket.
