

OFSTED REPORT

We are absolutely thrilled to be sharing with all our families our Ofsted Inspection Report from our Ungraded Inspection a couple of weeks ago. Staff, Governors, Trustees and most importantly pupils, are pleased to see the wonderful uniqueness of the offer at The Acorns represented in the report. Please do read it in full, as it highlights what a special place this is to come to school and what an amazing set of staff your children get to work with each day. Thank you to all our parents for your overwhelmingly positive and kind comments and for choosing to send your children to our school. As I enter my final 3 weeks of Headship at The Acorns, I could not feel prouder of our community and the work we do together to provide this quality for our pupils and families, always with our core values of Mutual Respect, Equity, Inclusivity and Love at the heart of our decisions. Enjoy the read!

July

Wed 16th – Caterpillars finishing for summer
Thurs 17th – Butterflies finishing for summer
Fri 18th – 2:30pm Y6 Leaver's Assembly

Break up for summer!

SPORTS DAY WINNERS!

Huge congratulations to House Malla who achieved the most points at last week's sports day!

As a reward for their hard work, effort and collaboration, all those pupils who took part in sports day from House Malala will have the chance to spend some time outside today with House Malala staff, enjoying an active game of rounders.

Thanks to all our pupils for demonstrating such high levels of sportsmanship last week and to our families for coming along and supporting them. I am sure you will all agree, it was a wonderfully fun and inclusive event.

ASK ME ABOUT...

Education is most effective when schools and parents work in partnership and parents are aware of what their children are learning about and doing in school.

So, this week, please ask me:

Caterpillars: what the whale got?

Butterflies: how many butterflies came out of the chrysalides?

Reception: full, half-full and empty

1M: Ellesmere Port Library

1/2T: our school art gallery

2U: fractions $\frac{1}{2}$ and $\frac{1}{4}$

3S: what a switch does in an electrical circuit.

3/4T: mosques

4I: why did the Romans invade Britain?

5McC: the magistrate's visit

5/6S: the magistrate's visit and our artwork

6T: how I investigated my recovery rate
