**HAVE A WONDERFUL SUMMER, ALL!**

## September

**Tue 2<sup>nd</sup> – Pupils return to school (Reception part time)**

**Mon 8<sup>th</sup> – Reception pupils start full time**

## ASK ME ABOUT...

Education is most effective when schools and parents work in partnership and parents are aware of what their children are learning about and doing in school. So, this week, please ask me:

*Caterpillars: what Goldilocks did.*

*Butterflies: habitats*

*Reception: innovating The Three Billy Goats Gruff*

*1M: doubles*

*1/2T: our school art gallery*

*2U: fractions  $\frac{1}{2}$  and  $\frac{1}{4}$*

*3S: what have the Romans done for us?*

*3/4T: transition day*

*4I: our Roman experience*

*5McC: my new class*

*5/6S: which times table do I not know*

*6T: our year 6 play*

## YEAR 6 LEAVER'S PLAY

A HUGE well done to our Year 6 cohort, Mr Thompson and Mrs Griffiths for putting on a spectacular production this week. The children were word perfect, sang loudly and clearly and had even choreographed some excellent routines themselves. We were so proud of their efforts, their enthusiasm and for putting on such a wonderful show for the rest of the pupils and the Year 6 family and friends.

It is always such a pleasure at The Acorns to see our pupils shining in these less academic endeavours and knowing that they have received a truly holistic educational experience, where these skills and interests have been identified and developed. Having the opportunity to perform on stage, to an audience is such an important learning opportunity and chance for personal growth and this cohort absolutely smashed it!

## ATTENDANCE

Attendance in school this week has been absolutely amazing, hitting national average (96%) or above every day! Well done to all of you for keeping the children in their routines, despite the hot weather and the closeness to the end of the year. Please keep this up over the next 2 weeks as there are lots of important opportunities and experiences going on in school.

## TATTENHALL

This week Year 2 had a magical time at Tattenhall, experiencing a night away from home – for some of them, for the first time! They had a super time exploring the local area, climbing trees, undertaking challenges and hunts and toasting marshmallows over the campfire with their adults. A great time was had by all. Many thanks to our families for prioritising the funds to send the children on this residential – it is such a wonderful experience for them.

Thanks also to the staff who took them and looked after them as though they were their own.

Enjoy a rest this weekend!
