## YEAR 6 RESIDENTIAL

Year 6 have been having a wonderful time on residential this week, alongside Year 6 from Whitley. I am sure lots of you have kept up with the daily updates via X and seen what a fabulous experience this is for our pupils.

Huge thanks to the parents for prioritising saving up for this trip – it really does provide the most wonderful end to their time at The Acorns. Also, thanks to the staff for leaving their own families for the week, to look after our #MiniAcorns and give them this unique experience.

A special thanks to Mrs Ramsay, for coming out of retirement for a week to support!

## ASK ME ABOUT...

Education is most effective when schools and parents work in partnership and parents are aware of what their children are learning about and doing in school. So, this week, please ask me:

*Caterpillars: bugs.*

*Butterflies: shadows.*

*Reception: Supertato and Evil Pea.*

*1M: what I am most proud of in Year 1*

*1/2T: Year 1- Staying healthy Year 2 Risks and hazards.*

*2U: 2D shapes and their properties.*

*3S: numerators and denominators in fractions.*

*3/4T: fractions.*

*4I: why the Romans invaded Britain.*

*5McC: my online safety learning.*

*5/6S: Primary College.*

*All Year 6: my favourite activity at Min-y-Don.*

## RECEPTION WELCOMING OUR COMMUNITY IN FOR TEA!

This week saw our Reception children welcoming in our neighbours from Acorn Manor to share in a tea party with them! It's really lovely to see the positive impact of mixing people, young and old and sharing in a love of chatting, stories & cake! A great experience for everyone involved.

## SATS RESULTS

This week, parents of Year 6 received their SATs results, which will likely be shared with them on their return from residential later today. We are so proud of our pupils and the hard work they put in to achieve these results. They really showed those characteristics of effective learning and tried hard to #bethebestyoucanbe!
